I first met Gary while we were kids at the Methodist Church. We were scouts together and spent time on canoe trips to Canada. He always caught the largest fish of our group.
He had a great knack for entertaining our school classes by faking running into doors and falling down steps which many of our classmates are surely to remember. I looked forward to seeing him at the 55th high school reunion in September.

I do not know his family as I left Cedar Falls in 1964 to attend ISU and then moved to Richmond, Virginia. May his memories be held by all those he loved and with whom he shared experiences.

Gary was truly a man after God's own heart. He was an spiration to us all. If you want to see Gary in Heaven and have not committed your life to Jesus, you can make that commitment today!

When I think of Gary I remember a very kind, gentle, soft spoken man. Back in the day he was my "go to guy" for issues with the old 1971 Lemans convertible. He even replaced the top. That car later became his. I think that man could fix or build just about anything. As my son Troy's father-in-law, Gary has been in our extended family for more than 25 years. Sending wishes of peace and comfort during this very sad time.

I'm sorry to hear of Gary's passing. I only knew him while we shared the CF School system, but I always felt at home talking to him. He had a wonderful sense of humor and got along with everyone. I'm sorry we couldn't get together in our later years. Dave Nielsen (CFHS '59)
