“ I used to be one of Audrey's caregivers and I just fell in love with her. She always had a way of bringing a smile to my face and always made me feel so welcomed in her home. I went to visit Audrey one day when I was off work just to say hello and we ended up playing cribbage. She was a worthy opponent and I thoroughly enjoyed getting to know her. I wish I had had more time with this wonderful lady. She will be greatly missed. My thoughts and prayers are with you all and with Audrey in heaven.

“ Wish the weather would've been better. But at least i was able to have a couple of conversations with you before you left us. Audrey you were always a fun person to be around. Too bad life takes over and separates us. took too long to reconnect, not enough time. much love to you and your family
