*Neil used to work for my dad at Takin Bros in the 70's and I remember how nice he was to everyone and I always enjoyed working with him on moves. In 1975 I got a teaching job in Carroll and I was having trouble finding a place to live Neil called his mom or grandma (I can't remember which) and asked her if she knew of any apartments or places for me to live. I'll never forget his kindness or his worry that I wouldn't find a place to live. I would see him every so often when I came back to Waterloo to see Mom and Dad and he always said hi and asked how I like living in Carroll. My sympathy to your family. Mary Ann Marsch Brincks*
