“ Like the Clows, we Weekley kids also grew up on Evergreen Lane (our house was at the south end on Four Winds). And like everyone else in that wonderful neighborhood, we knew we were part of the Krogh family and that we were welcome almost any time. As we grew older, the Krogh household became a focal point of our social lives - mostly because Betty was so open and warm (and forgiving of our hijinks). We certainly had a lot of fun.

My relationship with Betty didn't stop when we all went off to college either. Betty worked in the UNI East Gym, where I had many classes, swim practice and my part-time college job as a lifeguard. For many of my college years, Betty was a constant presence there as well. She was wonderful - handing me towels, equipment, smiles and love. I think she enjoyed seeing me there, as much as I enjoyed seeing her.

Betty Krogh was a force for good in the world, and I am happy to have had her in my life. I wish to give all the Krogh kids - Karen, Kevin, Kim and Kathy and their families my deepest condolences and thanks for sharing your mom with me.

“ The Krogh family home was always so warm and welcoming in large part because of this amazing woman! Her fun-loving and relaxed spirit allowed for kids to be kids. On the other hand, she was deserving of great respect and therefore no one ever wanted to disappoint her. Ma Krogh - you were one-of-a-kind and will be so greatly missed :-( Love & Prayers, Randy Cox

“ I have so many wonderful memories of growing up across Evergreen Lane from the Krogh family. I have immense appreciation for the neighborhood we grew up in, the kids who were our first friends, and all our parents who allowed such open homes, such happy and inclusive relationships. Betty you were a gem -- a thoughtful and fun-loving person. Love to the family, from Diane Clow (and the other Clow Kids, Matthew and Philip).

“ Betty was a very special person in my life. She went way beyond being a step-mother. She treated me as another daughter. How blessed I am to have had her in my life for 24 years. She was loving, caring, encouraging, comforting, understanding, and very wise in her counsel. She was there for Danny Joe and me during a very devastating time in our life. Even though we lived far away and didn't visit often, we regularly talked on the phone and she was always there for us. Her walk with the Lord was evident in her daily life and in her counsel to us. I'm sure heaven is welcoming her as we are saying good bye. She will be missed. Love, Becky Rose

“ I have so many fond memories of Aunt Betty, Uncle Jim, and the kids. Christmas Eve's birthday's, and especially going to Canada. The hotel in Duluth that lost our reservations and Mom and Aunt Betty threatening to put all of us kids in sleeping bags on the lobby floor. Cleaning fish with Karen and doing more dissecting than cleaning while everyone was laughing at us. Aunt Betty's laugh so distinctive. I will miss that laugh and her hugs and her! Betty, Jim, Dee, and Rod are together again.
