“ Pastor Donald was a shining example of compassion, cared deeply about the church members, family and friends. My husband and I were blessed to have him marry us. We were also part of a couples church group. One memory was when we all went to a private Amish house and shared a meal. Don was always ready to listen, with a smile and kind word. He will be missed. May God comfort his wife and family.

“ To the family of Pastor Donald Feuerhak,

I was so sorry to read of Don's passing. In 1999 I was fighting for my life in the intensive care unit at the University of Iowa Hospitals and Clinics. The staff asked if I wanted to see a pastor and I said yes. A short time later Don appeared at the door of my room and he and my wife and I held hands and prayed together. I will always remember his warmth and his wonderful words of God's peace and love. I survived this incredible ordeal and I thank both God and Don for his prayers on my behalf. God's speed my friend. I know that God will never bring me to something without bringing me through it. And i am as sure that Don is now in His care.

“ We are deeply saddened by the loss of a close friend, Don.

We enjoyed our many conversations and visits, whether it was in Iowa, Cal, or Oregon.

And, of course, model trains was always a topic in itself.

Our sincere sympathies to Barb and family.
You are all in our thoughts especially at this time.

He will be missed. Prayers to Barb and his family.
