“ So very heartbreaking to hear the news of Jim's passing. I worked with Jim in Rider Hall for 6 years. He had a very kind and giving heart! Always looked forward to the lunches he would buy from J's for my coworkers and I. Every Christmas Jim would get all of us gifts. He knew I loved elephants, so I would receive a small elephant figurine each year. My deepest condolences to all your family!

“ So sorry to hear of Jimmy's passing. He was a great guy to golf with, and afterwards enjoy a couple of cold ones with at the 19th hole. He will be missed.

“ I am saddened by the news of Jim's passing. I had the pleasure of getting to know Jim while he worked in Rider Hall at UNI. I am the Hall Secretary in Rider and enjoyed getting to know him. Jim would talk lovingly about his grandkids, his Mom and his dog. A few of us from UNI met up with Jim a few times after work to share a beer after he retired. I'm sorry that we didn't get together more frequently. Jim was genuine, kind and a good friend to have. My condolences to your family for your loss.

“ Our sympathies to Jim's family and friends. We live across the street, and though we didn't know each other really well, he was always very friendly and we'd wave to each other as he was on his way to golf or out with his dog. So sorry for your loss. Sandy Sutton & Dave Hilgemann
