“ I am so very saddened to learn of his passing! I would Ride over in my wheelchair to see him during the summer months when we were both outside. My daughter was welcomed in his home on several occasions when she took Christmas "treats" over. He dearly loved and missed his wife, whom I never got to meet. "Pete" would tell me of their travels, the rocks they gathered on trips. He would reminisce of how he worked on his own vehicles , life growing up on the farm and told of moving to Cedar Falls from a much warmer climate. Even drove himself "back home" once to visit. (At age 93, I believe). A truly remarkable man with such love. He will be missed for a long, long time!
