

Raymond G. Nielsen

October 4, 1943 - December 4, 2020

Raymond G. "Ray" Nielsen, 77, of Waterloo died Friday, December 4th at UnityPoint Health – Allen Memorial Hospital.

He was born October 4, 1943 in Cedar Falls, son of Oscar and Grace (Jungling) Nielsen. He married Rebecca Larson on May 16, 1964 in Cedar Falls and they later divorced. On October 5, 2002, he married his best friend, soulmate, and the love of his life, Dixie Earle of Waterloo.

Ray was employed with John Deere, starting in the Foundry, and then Engine Works. After retiring in 1996, he worked at Omega Cabinets for several years. He was a devoted dad, grandpa, and friend - always generous with his time and love. He always had time for his children (coaching Optimist Baseball, family vacations, baseball games in Kansas City), never said no when one of his kids asked to play catch. He never missed a baseball, softball, football game, or wrestling match. He was always there to help with fix-it jobs or to babysit his grandchildren as his kids became adults. He was the first one to any celebration for his grandkids and was proud of each one of them. Ray was a trusted friend. He delivered Meals-on-Wheels for several years and helped friends that needed rides or groceries. Ray left a great example of hard work, love, humility, and true devotion to all those he loved.

“ I know this is late. I'm very sorry to hear about Ray's death. Was looking at Sundays paper when I found it in the celebrations section.
I would of been there had I of known. Ray was one nice guy and we had a lot of laughs driving to the Engines Work together. Maybe you could call and fill me in a little more. My heart is heavy and again I 'm so sorry. My Sympathy to all . Bonnie Meighan 2404494

“ I just want to say I am sorry for your loss. I worked at Meals on Wheels and later volunteered with Ray. He truly cared about his people on the route. Was glad to know him if only for a short time. Jane Shea

“ Ray is my cousin closest in age on the Jungling side. I was born in June he in October. Oscar and Grace came to my parents farm many Sundays so we played with Ray a lot. Ray also was an expert skater and yo yo player. He sure could make that yo yo do all the latest tricks of a yo yo. It was not a big activity of country school. So I was impressed. Good memories.

“ Thank you for that memory. I am his daughter. I had completely forgotten about his yo yo skills. He was an amazing roller skater as well!

“ He was a good father. Not only did he play catch with his own kids but all the neighbors kids seemed to show up too. He loved to take his family to Garfield once a week to eat. You will be missed.
