“ Aunt Ruth portrays the epitome of kindness and humanity, always caring about everybody else before herself. I have so many great memories, especially for the time when I was 8 and my brother Doug, was 9 years old, went to stay with the Bernard family for three weeks! Steve was just a baby! We were treated like their own, and Uncle Russ and Aunt Ruth held a special place in my heart. She will be dearly missed by all her knew her. Dave and I send our sincerest condolences to all of her family.

“ Aunt Ruth was such a caring person. She always remembered each and everyone of us. I well remember the one and only vacation we took as a family when I was a kid and all 7 of us went to Cedar Falls to stay with the Bernard family. Aunt Ruth and Uncle Russ made room for all of us, fed us, and even took us on a little trip--- that's when Uncle Russ backed into the tree-- he couldn't see behind him for all the kids in the back of the station wagon! Cherish all those memories you have. Aunt Ruth will be missed by all of us.

We will keep you in our prayers for peace and comfort during this time, and will smile while thinking of the joyous reunion she is having in Heaven by those who went before her. Love to you all!

“ I have always been so proud to share the same name with Aunt Ruth. She was the kindest, sweetest woman who always remembered us and made each of us feel special. It is comforting to know that she has been welcomed into heaven by a loving family who has gone before her. The Wood brothers and sisters were very close, and I know she has been greeted with open arms.

Sincere sympathy to all of the family. She will be greatly missed, but the memories and love will last forever.

“ Ruth was a faithful friend. She was there for me as a grief partner following the death of my husband and has remained beside me ever since. We attended church together. We enjoyed band concerts, plays and other church activities but most of all I will miss our "talks." She was a wonderful listener. She was one of the most caring persons I have known. Rest in Peace dear friend.

“ Ruth was such a gentle person who always had a smile. She loved family. I'll miss the annual Christmas card--a picture of her ever-expanding family. I remember Christmases at Grandma and Grandpa Wood's and how she and Russ would stuff the station wagon with Santa gifts. I remember Russ backing up on a stump with that station wagon stuffed full of kids--enough to distract anyone!

I know she helped make memories that you all will cherish the rest of your lives. I know how you'll miss her because I know how I miss my mom and dad. Rest in peace, Ruth as you join the "Wood Reunion" in heaven.
