“ Jack, condolences beyond words for the passing of Ruth. But, do remember you old Meals on Wheels friend, that you are one of my most favorite people. Bill Teaford, teaford@cfu.net

“ To the family of Ruth Vial Hovelson-
Miss Vial was my favorite teacher by far in elementary school. I was fortunate to have her for both 5th and 6th grades. She was a wonderful teacher, and I have had many to compare to her being a University Professor and long-time teacher myself. She was very motivating and brought out the best in many of us. I received notice of her passing from a classmate who shares my views. It is unfortunate that I lost track of her, because I would have liked to tell her personally just how much that I appreciated her contribution to my life. I do hope that her husband and children are able to read this so that they will know just how special this lady was to a bunch of kids in Alta. I think that she knew how much we liked her and marveled at her teaching talents. Thank you for adding joy to her life. John A. Soderquist

“ I remember working with Ruth on CWU celebrations . She was always helpful in planning the events and made sure her part was carried out well. She was very dedicated to the groups she belonged too. She was a positive force and helped move the organizations forward.

My sympathy to Jack and family. What a wonderful blessing to know she is in a better place and free from a body which didn't work anymore.

“ Dear Jack and family - I will always treasure the times we all visited together, discussing family history and enjoying you and Ruth's gracious hospitality - now we are one less, but rejoice in knowing she now enjoys life free of the crosses she had to bear down here, I will miss her ready smile, but look forward to the future when we are all together again. See you soon - Love Gayle (Nowack) Rector and family

“ Oh, Jack, Holly, and Lisa. There is a hole in my heart today. I remember so many enjoyable times together, sharing Jack's fabulous barbecue - especially the kohlrabi, and years of wonderful conversations. I so admired Ruth's work in her church and community. I'm sure many friends are grieving her loss. I pray you feel God's love and comforting arms around you now. Much love, Bev Duffy
