“ Lee and Marlene and family - I'm so sorry this happened. Even though Scott and I didn't stay in touch, I still liked the times that I saw him around town. He was a great guy and I wish you all well as you go through this tough period. I wish I had seen this earlier and could have joined you this morning. My deepest sympathies are with you all.

“ To all The Engen Family, My deepest condolences! Scott was a wonderful guy! I have so many memories with him every one of them makes me smile! Like the time I came over for Easter and we played games your parents had us color a picture and your Dad picked his favorite and chose my picture. Scott called me the color thief the rest of the entire day along with Jason. Or the time my feet hurt so bad from doing a store set up in Clive, Iowa That he drove all the way to see me and bring me brand new nikes so my feet would not hurt! He taught me everything about football even what a clip was and we shared the love of 49er football. He put up Candy Canes along my walk pathway at christmas he said it was fun!! I will always hold great memories with him and all of you! Scott always had faith and I know he is already serving God in heaven! Much love Scott Love KK (Karen kerr)

“ My condolences to Scott's family and friends. I got to know Scott through confirmation classes at Nazareth Luthren church and became good friends through high school. I have many great memories with Scott from foosball tournaments at the church and ski trips to cruising main. Although I was from Dike I always felt welcome in CF with Scott and the gang. And every time I saw him he would yell out "Hogie" and the name stuck. Scott was always larger than life and although I have not kept in touch since college, I will always remember him and feel grateful to have known him. Godspeed Scott.

“ Scott and I played softball against each other for years. He was as tough as they come. He had no back down in him and I'm sure he fought to the end. Peace be with you my friend.

“ Scott was a standout rough and tumble in my grade school classes; we played at the creek near his house in the summer, and went for candy to the candy store. I'm sorry he has left so soon, and send comfort to all of you who are mourning. -Suzanne Stenson O'Brien (Suzi Harmon), Minneapolis

“ My condolences to the Engen family. Scott and I were childhood friends. We would play golf at Pheasant Ridge in Cedar Falls every summer in Jr. High. We would play chip and putt contests on the practice green for hours at a nickle a stroke. Scott usually won. He was a great athlete and football player, our Strong Safety who hit harder than anyone in the State of Iowa. Truly a ferocious defensive standout. Rest In Peace My Brother Scott.

“ Dear J, Heidi (and the boys), and Scott's parent;

I'm gonna miss seeing Scott at the apt or anywhere... Scott spoke often of his family and esp of Heidi's boys. Scott and J are avid Minnesota fans, GO Vikings and I a Chicago fan, GO Bears! They've been known to "sport" a Viking flag in the fall off their second story window of the apt they rent from us. So you can abt imagine how things would transpire between us during the NFL reg season. You know Scott! And I'll think of Scott often whenever I see someone paying tribute to the Minnesota Vikings! But mostly when I see J and Bogue! As I rarely saw one brother without the other.

“ Scott and I ran into each other at scheels while christmas shopping. It was good to see him. He always seemed to have that grin on his face. We talked for a bit and made each other laugh. I can't believe he's gone. I will miss him. He was a good guy and taken way to early. Rest in peace my friend.

“ You showed me a lot of things,
I learned a lot of things I didn't know, But you forgot to teach me one last thing...
How to let you go!
I know you didn't mean to leave me, sometimes we have no choice. I miss being
your little sister.....Hearing my name called by your voice.
I wish I got to say "I love you" before you were given to the Heavens in the sky. If
God could grant me One Last Wish... I'd ask to say goodbye and tell you how much I
Love You.
You always meant a lot to me
I could never love you less.
I know now what it means when they say...
God Only Takes the best!!!
RIP Big Bro..... I will always remember and never forget!

“ One of the best softball players I have ever played with. Scott could crush the ball like no
other! I actually copied my hitting style after his...just didn't have his power though.
