“ I'm feeling shock and sorrow at hearing of Wanda's death. As her college roommate we formed a particular bond. Wanda was a comfortable companion who was not overbearing but ready to be there for me when needed. We lost connection with each other in later years. I wish I had been more diligent in staying in contact. My sympathy to Russ and Wanda's immediate family.

“ Thinking and praying for Dad and each of you during this difficult time. Mom was a very special lady. Always so kind and gracious to me. Having a daughter who shares her Grandmother's name is a very special blessing. I know I'm a better person having know Mom and having her as part of my life.
