“ *Al shared with me one day that his very first paper route as a kid included my parents house, and his last route as an adult also included my parents house, so he was my Mother's first and last Courier deliverer! Al was a friendly, responsible, dedicated worker whom I had many fun conversations with over the years. I am so saddened by his loss and offer sincere condolences to his family.*

My memory of Alan, when we were witness to my sister, Luella and Phil's wedding, was a gentle, kind and polite young man. I want to send my love and sympathy to my nieces.
