“ *Dale and his family were a part of my life since I was a ninth grader at Holmes Junior High MANY years ago. His daughter Kim and I were, and remain the dearest of friends. We were high school best friends, and I spent a good deal of time in their home. I was, and still am friends with his daughter Kathy, as well.*

*Thank you Dale for being a healthy and happy part of my life.*

*You are loved dearly by your family, friends, and me.*

*Rest well in the eternal life you so richly deserve.*

*I will always remember you. If you see my mom in Heaven, I'm sure you two will share teenage horror stories of me and Kim.*

*I will comfort Kim as she comforted me when my mom died six years ago. You are so loved!*

*Love,*
