“*To Alda's family I want to send deep sympathy and say how fond I was of Alda. Janice was my best friend in school and I spent a lot of time with her at John and Alda's house. Then my mom lived in her upstairs apartment, so I saw more of her when I would visit Mom. She always had a smile and was easy to visit with. I know she will be missed. Sharon Yonkees*

“*Alda was a wonderful friend to my mother . We tried to visit her whenever we were back in Iowa though had not seen her the last few years. We knew the Folsom family ,grew up with Janice and spent much time in their home most of our growing up years. Rest in peace Alda.

“ *Alda always greeted me with a smile and hug when I would see her at NewAldaya. If it was mealtime, she would invite me to eat with her, but I had to decline her offer.*

When I took her to Sunday Chapel, I would use the freight elevator. On the wall nearby--at the end of the hall--hangs a picture of two children with a broken vase. Alda enjoyed that picture.

It was amazing how she wheeled herself around, even a week before she died!

She was so sweet to me, and I miss her when I go up by where she lived. She was easy to love.

With deepest sympathy,

Marie Gregersen, Sunday Chapel volunteer
