“ *In 1955 a young married couple with a three month old son moved into the house at 1610 Walnut. Our neighbors were Andy and Amanda Sorensen, and we couldn't have been more lucky. They were so caring and helpful and the eight years we lived there were very good ones for raising children. When we moved Amanda remembered us for many years with her Christmas prune strip. Amanda's work ethic and loving kindness will be long remembered by the Caleys.*
