“ *I am sorry that I was unable to be at Andrea's memorial service, but I was with my grandparents out of state. We had planned to be back for the service at COC, but we developed car problems and I was unable to be home in time. I enjoyed living in the COC apartment with Andrea, and was with her when she died. She was very special to me, and I miss her a lot. I am glad I knew her.*

*Sincerely,
Allen Johnson*
