“ Larry--You probably won't remember me from elementary school, but I remember 3rd grade in Mrs Winchell's class and me returning to school in late February after being out for 2 months with hepatitis. I was restricted to staying inside at recess and you and Craig Bast would stay inside with me and keep me company. I remember how nice the two of you were and think of you quite often. I am sorry that you have lost your mother. It is always heartbreaking to lose a parent and it makes us realize that we are not getting any younger either. God's blessings to your family.
