“ I never met Anne, but I knew her mom and dad, Larry and Jackie Jackson. This message is for Jackie. Life has been hard for you in recent years. I am so sorry for your losses, of both Larry and now your daughter. I can't imagine what this must be like for you, but I care. I am praying for you and your family through this time. I am grateful for your relationship with our Lord. You have been an inspiration to me over these years since I first met you at NCBC. I love you dearly, and I pray for God's loving arms to reach around and hold you close. He comforts as no one else can. Take care, my precious friend. Thinking of you and praying.....

“ *I first met Anne was when she was working for the post office, and would stop into the Embassy for some drinks when I was bartending. We would always have great conversations, lots of laughs, and a good time! She truly was (and forever will be) a beautiful soul.*

One night while Anne was in the Embassy my grandmother was there as well. Instantly my grandmother thought very highly of Anne, and started telling Anne how she needed to meet her grandson. How much she would like him!! Not too long after Anne & Steve were introduced... not too long after that Anne was becoming family... not too long after that Anne became a mother!

There are so many other memories I have, but the one I will always remember the most will be her smile, her kindness, & her heart ❤️
