“ Joe and Family,

*I was so sad to learn of the loss of your wife, mother and grandmother, Ardy. Ardy was so very special in my life. We lived in Grundy Center but my mother would bring me to Tot to Teen to shop for school clothes. Ardy helped us coordinate our outfits with her excellent style choices. After her leaving the Waterloo store, I enjoyed going to the Chalet to see the special person who helped me look my best for all my years growing up. She helped me put together my wedding outfit also! Ardy holds special memories for me. I hope that your wonderful memories will help you all at this very difficult time of loss.*

*Sincerely,*

*Susan (Meyers) Ward*
