“ Dear Mike, James, Patrick and Families:

Please know that our thoughts and prayers are going out to all of you. Aunt Arlene was a very special lady and I will miss her dearly. Please know that what she loved most in life was being your Mother and Grandmother. I always loved to hear her stories and memories shared with all of you. Thank you for sharing your Mom with me over the years. I truly have adored her and our relationship! I am a better person because of her. One of my favorite talks with her was a serious talk about being "just" a stay at home Mom. She said that she had contemplated many times about going out to get a job because it would be "fun". However, she felt that God had blessed her with "enough" and that she didn't want to take a job away from anyone else that really needed one. That speaks for the person that she was...totally selfless. I loved her relationship with Uncle Russ. Once in college at UNI she took me shopping and out for lunch. She must have been 57 years old. We walked buy an intimidate apparel window display and she said "I bet Uncle Russ might like that one. Just because we are old, doesn't mean a thing!!! We had quite the chuckle over that one!!! When Kevin was my fiancé and graduated from college, she graciously hosted a party to celebrate him! I know that she is reunited with the love of her life and that brings me great comfort and a smile to my face...I hope it does you as well. And, thank you, thank you, thank you for taking such great care of her in her time of need. My love and prayers to all of you. Please let me know if I can help in any way!
