“ *Melanie and Family --- We were so sorry to learn of your mother's passing. We shall always remember both Audry and Floyd. They always seemed to have a smile on their face, and were so gracious to welcome you in to their home. We were especially thankful for them when we had our first baby and needed a sitter. With no family locally, it was only Floyd and Audrey that I trusted to care for our newborn. We shall always remember them with great fondness. May you, too, be blessed with many fond memories at this difficult time.*

*Our sincere sympathy, Al and Marcia.*

“ Please accept our sincere condolences. May the words quoted from this song bring you a measure of comfort as it did for us.  
"If a man or woman should die, can they live again?  
Hear the promise God has made:  
He will call; The dead will answer.  
They shall live at his command.  
For he will have a longing  
For the work of his own hand.  
So have faith, and do not wonder,  
For our God can make us stand.  
And we shall live forever,  
As the work of his own hand "(Job 14:13-15)

“ *Melanie and family,  
I send my sympathy. Your Mom and Dad were so good to all your friends as we were growing up at the point in Dubuque. Your house was a welcoming place where kids were enjoyed and appreciated. I remember how active they both were, and how readily your mother said yes any time she could help out at school. You were fortunate to have her close all these years. Cherish the memories.*

“ *To Audrey's family, My deep sympathy to you upon your mother's passing. I knew your parents well when Floyd was a client of mine at UNI's Speech and Hearing Clinic. And in 1992, the local chapter of Sertoma (an international service organization focusing on speech and hearing) awarded your parents our annual highest award: Service to Mankind. I visited with your folks on occasion after Floyd left the Clinic, always impressed that your mother somehow stoically was part of his "team".*

*Sincerely,*
