“ Sue & Rich, & family
We were so sad to hear of your loss of one of your precious little ones. We never met Little Master Austin but felt like we had. Just hearing about him & his Siblings or hearing him play in the background made us feel we had met him. Austin & the other "little Carr's" are so very proud to call you both Mom & Dad!! Janet sure wished she could be there during this time of loss. Our thoughts & prayers are with you.

“ I would like to extend my deepest condolences to you all for your lost of your little guy, Austin. My grandson, Logan was in Austin's class this year. Logan talked about Austin all the time and loved playing him. I have been in his classroom many times and know that Austin enjoyed being there and had many friends. I can not imagine what you are going through, but please know there are many people praying for your family and your little angel.

“ You don't know me, but I just wanted to let you know that you are in my heart. I am sorry for your loss. My son will be attending Kittrell next year and would've been in Austin's class. I briefly met him when I went to the room to observe the teacher. I will pray for peace and comfort for your family. You will always have a Guardian Angel in Austin!
