“ My dear Brother. We separated our ways years ago, but never in our hearts or minds. Sending cards and telephone talks, we stayed in touch and followed each others journey through life. We are saddened of our final separation. We are honored to have been part of your life. We had many good times together of which the memories will be recalled and spoken of.  
May you rest in eternal peace. You will not be forgotten.

your Brother,  
Lawrence
