“ *Becky was so kind, loving and FUN!! I loved every minute of my time babysitting for Justin and Matt. I was so blessed to be allowed to be even the smallest part of your family. The world is a bit darker without the light and laughter of Becky in it. She is missed.*

“ Sorry to read of Becky's death. She was my mail carrier for several years, and I remember her pleasant personality during our visits on her mail rounds. She always appreciated the paths that I shoveled for her during heavy snow periods and did us a favor by returning our lost and overly friendly dog.

*Condolences to the family,

“ Dear Doug and Family,
Becky was a breath of fresh air! She welcomed us to the neighborhood with open arms and a great smile. Her eyes twinkled when she shared stories of her childhood and her memories of people and places. We could always look over the fence and see her waving back. Watching her with Ivy, melted our hearts. She loved being a Grandma! Becky was a woman of Love, Joy, and Spirit! She will be greatly missed. Our deepest sympathy to all of you. Jim and Pat
