“ Hi Deryl, so sorry to hear about the death of your Dad. My Mom saw his obituary in the newspaper and sent it to me. What an amazing life he had. Turns out I have heard of Whitworth College. My son-in-law's father and one of his brothers graduated from there. What I do remember about your parents was that they were very tolerant of us all hanging at your house. I know God will be with you during this difficult time. Take care.

“ Elisabeth and I, Coenraad Bakker, wish to offer out sincere condolences to Bert's family. I first came to know Bert when I arrived in this country and Rochester, NY, from The Netherlands on November 9, 1961. Two days later I attended his wedding to Kitty. In fact, the day before Kitty, her friend Mary Jean (my sponsor) and I went to the McCurdy's Department Store to get her wedding dress. The sales lady was very upset because she thought that I was the groom and it was against all protocol that the groom would see the dress before the wedding. In the years that followed I met Kitty and Bert on a regular basis in the church and the Young Adults group of that church. We met also many times in years later at a number of reunions. I always enjoyed talking to Bert especially since he always had some new idea to share. We wish the Lord's comfort for the family in this time of mourning.

“ We are sorry to hear of Bert's passing. He was always a gentleman and brought Fred Astaire to mind;). He and spunky Kitty were a memorable pair!
