“ We are saddened to hear of Buzz's passing. He was our neighbor across the street on Fairview Dr. I visited him at the Western Home the day he received word that his sister passed away, he was sad about that. My Mom just passed away in Sept. & I know that she along with Buzz are now at peace.
Our condolences to the family.

“ I was sad to hear of Buzz's passing. Although I haven't spoken to him for many years, we always had so much in common to discuss, and I enjoyed our conversations. Buzz was my first real "boss" other than family. I was always intrigued by how well he managed people and solved problems at the plant. Even under pressure he was always fair, polite, and looked for the best in people. It was because of him that I choose a career in manufacturing management and now teaching others to replicate most of the wonderful traits that he modeled for me. It was an honor to have worked for him and an honor to have known him. He had a profound impact on my life. I pray that you will feel some condolence in knowing that he touched the lives of many people.

“ I was so sorry to hear about Beryl. Seems like he lived a full life. And I am sure your family has many wonderful memories of him. At times like this the Bible comforts me so much. Jesus said in John 5:28&29 there would come a time when those in the memorial tombs would hear his voice and come out. This would also be at a time when Revelation 21:3&4 says there will be no more tears, pain or death. This would all happen when God's Kingdom comes, the same kingdom that Jesus taught us to pray for in the Lord's Prayer. What a wonderful prospect for Beryl and all those in the memorial tombs now. We express our deepest sympathy. We hope you find comfort in this time of loss.
