I hope and pray you didnt suffer! Gary was with
you the whole time. Knowing your diabetes

treatment. Till you died. Why God did you let Gary do this to Beth?
Gary lied about going to walmart! He never went! Hes a Dead
Demon Lol! Beth is the highlight of our lives! She should be right
here with us. Unique she is! Growing old wih us. Loving her
Daughter Laura Mo.She Laura is being mind maipulated. By Bob
and Nancy Nehl! Brainwashed to ignore her Mothers family. Its so
wrong of the Nehl family.Laura needs all her families to be with her!
I feel i lost both my Girls when Beth died. I cant live wihout them
two! Im so sad Beth isnt alive. Grief consumes me. Every second.
Memories of Beth and Laura flood my mind. Also wonder if this is a

“ *You don't know me, but I wanted to express my sincere sympathy, It's so hard to lose someone you love. Something that has helped me to cope is the words in this song, Friends of our God, though they may pass away, will never be forsaken. All those asleep who in God's memory stay , from death he will awaken. If a man {or woman} should die, can he live again, Hear the promises God has made; He will call; the dead will answer, they will live at his command. So have faith and do not wonder for out God can make us stand and we will live forever. I hope this will bring you some comfort now and a hope for the future.*
