“ Betty was a dear friend of Todd and I. We had many good times with her and Howard going out to different events and having dinner. We had such good times together. She's in a wonderful place now with Howard and Todd. She will be dearly missed.

“ We are so sorry to hear about Betty. Seems like she lived a full life. We are sure your family has many wonderful memories of her. At times like this the Bible comforts me so much. John 11:11-44 shows when Jesus resurrected Lazarus. Jesus said that Lazarus was just sleeping and then he resurrected him. He was showing what he would do on a grand scale soon. Jesus said in John 5:28&29 there would come a time when those in the memorial tombs would hear his voice and come out. This would also be at a time when Revelation 21:3&4 says there will be no more tears, pain or death. This would all happen when God's Kingdom comes, the same kingdom that Jesus taught us to pray for in the Lord's Prayer. What a wonderful prospect for Betty and all those in the memorial tombs now. We express our deepest sympathy. We hope you find comfort in this time of loss.
