“ *Mom is greatly missed by me. I am having a hard time. She was the best mother in the whole world, so loving and caring and did everything for us and nothing for herself. She taught me so much. I know now that she is at peace with my dad and family in heaven. I hope she is happy.*

“ *I wanted to share what an honor it was to work with Bev at FedEx Freight. She made so many of my days brighter with her amazing smile and sense of humor. It was a true blessing to have known her and worked with her everyday. She was and will always be a very special lady. I know that God has a special place for her in Heaven.*
