“ *Linda and family, thinking of you, and remembering your mother as a warm spirit in a fast-paced workplace. Her love of her family was an anchor that gave her great joy. May memories bring peace and comfort with time.*

“ *Deepest sympathy to Bev's family. She was a good friend to my Mom, Connie. I remember her cooking for my Mom as she was going through chemo, even though Bev was not in the best of health either. My prayers are with you.*
