“ *Thoughts and prayers go out to Bobbi's family and friends - she will be missed by many. Started working with Bobbi at BDI in 1992 and she has been a friend ever since! She would call me out of the blue to report how late my daughter was on facebook (but would tell me not to yell at her or ground her...ha ha)or recall some random story about a co-worker and we'd laugh about this or that. She got me started in bowling many years ago and we enjoyed talking wrestling. I'm glad she is no longer struggling to breathe and may she rest in peace!!*

“ *Your family has been through so much in the last months. Want you to know all in my thoughts and prayers. I worked with Bobbi the whole time she worked for BDI. We used to talk on the phone every night way back when. Even though I haven't been in close contact with her the last few years I would get updates from others at work and she was still in my thoughts. I am glad she is not struggling anymore. She will be missed.*

“ I worked with Bobbi at Oneal for a few years. She would always make a point of stopping me and sharing her thoughts with me during our busy day. Will miss seeing her on Facebook every day. Our thoughts and Prayers go out to all of her and her family at this sorrowful time. I am sure she is in a much better place. RIP Bobbi.

“ **WHEN SISTER FLIES AWAY**  
By Jon E. Harp Thursday February 20, 2013  
One day I sat and thought about  
A time when I was young  
I could not get my kite to fly  
Big sister helped me out  
She ran so fast then it flew so high  
As the wind pulled out the string  
Our spirits soared and we shouted together  
She raised her arms and pretended wings  
I held the reel and tugged on string  
My sister was an angel that day  
With wings of joy only we could see  
Sadness fills our hearts right now  
These wings are here for her again  
She will always guide our spirits high  
When sister flies away  
We all love you Bobbi

“ Marge, I'm so sorry to hear of the loss of your daughter Bobbi. I was reading newspapers on line this morning, and read the obituary. I'm now recovering from Pneumonia and they found some heart things too. May God's Healing Grace touch you and your family members from this loss. I'm now living in Assisted Living facility in Mason City. Your mother Fannie was my country school teacher and long time friend. Dorothy Riekens
