“ So sad to hear of Bonny’s passing. I was honored to have share many days together with her, sharing stories of our families, getting to lean on each other when she would have a bad day or when I would have a bad day. She was always there with her wisdom to teach me on life’s lessons. I am sorry I didn’t stay in closer contact these last years but I will always cherish our days together. I enjoyed going to work on my days with your mom she was truly a very special lady. The one most important thing she taught me was “you get 5 minutes each day to feel sorry for yourself then it’s done” 😊 Rest in Peace my friend til we meet again❤️
