“ My deepest condolences to the family of Brandon Smith. I will never forget all of the great conversations that we had back in high school. Whenever I was involved in one of the amazing productions of "NU Theatre," I knew that you would always be there lending a helping hand to make sure that everything would go smoothly. It has been quite awhile in which we last saw or spoke with one another, but as a fellow NU High School Graduate (Class of 2007), I feel compelled and happy to remember the cool person that I knew. Rest in peace, Mr. Smith!

“ I will miss that special nickname the other Brandon gave you in high school. I will also miss hearing the story of the car you hit in the parking lot at Brown Bottle.

“ *I always remember him going with aunt Esther, his grandma, for a walk down the lane & back when they were visiting so she would get her daily exercise. He was a great kid & we enjoyed the visits.*
