“ I keep thinking about the old homestead and when I would pick up Mark years back. Every time Kathy and I pass that place I want to share a memory of some sort. The one that most often comes to mind is makes me grin from ear to ear but Im keeping that just between you and me. It sure has been a long time since we sat at the table and told stories but it is almost surreal. Time passes way to fast, Sure wish I could turn back the clock. RIP my friend.

“ Sue and family, I was shocked to read about Bruce's passing. I was just thinking about how nice it would be to see you and Bruce again. It has been a long time.  
I remember all the times we used to stay up all night playing cards when our kids were little.  
Remember when you lived right next door to us on Clay Street?  
I am so sorry for your loss.  
thinking of you and your family with fond memories Diana and Fred Duitsman
