

Brynn Marie Lusson

June 8, 2004 - November 13, 2024

Brynn Marie Lusson was born June 8, 2004, in Waterloo, Iowa. Heaven gained a precious angel on November 13, 2024.

Brynn was a beautiful, gentle soul with a love of music, animals (her sweet pup Jack and 2 kitties), and all things Disney. She was the best hugger ever. Her giggle and her mesmerizing blue eyes were signature Brynn. Her beautiful light shined on this world for 20 years – not nearly long enough - but powerful enough to encompass those who love her and will continue to project Brynn’s warm glow in honor of her tender heart.

Angels are the invisible hands that guide us, the whispers that comfort us, and the miracles that bless us. Brynn is our miracle angel, and we are all blessed to carry her in our hearts.

Brynn is survived by her mother, Amanda, brother Brodie both of Cedar Falls, father Josh, grandparents Lois and Dave, aunt Monica all of Waterloo, and aunt Yvonne, cousins Lucas and James of Dana Point, CA. Brynn was preceded in death by her Uncle Dougie, Grandma Lynne, and Grandma Brooks.

Brynn’s Celebration of Life and reception immediately following will be held Thursday, November 21, 2024, at 1:00 p.m. at Fraternal Order of the Eagles,

2125 W Lone Tree Rd, Cedar Falls.

Service donations can be made to Brynn's GoFundMe page graciously set up by Kierra. Flowers can be sent directly to Richardson Funeral Service. <https://gofund.me/6240a78c>

Please share your love below. If you have uplifting stories you'd like to share during the celebration, we would love to hear them or read them for you.

From the bottom of our hearts, thank you for your outpouring of love and support.

“ *Brynn was more then just my neighbor for 16 years. She was my bestfriend and Like a sister to me. We would hang out almost ever single day unless we where in trouble and it was usually because we got each other into trouble but we would always make up and either play at my house or hers or our other friend sams house.*

“ *Brynn was my best friend in elementary school up until she transferred to Waterloo and we unfortunately grew apart. She was always by my side and at my house. I’ll always remember her humor and spunky personality. She was the friend to never hesitate to stick up for herself and those around her. I remember how much I admired her for that as a kid. We were about a foot difference in height and were commonly known for this. I’ll always remember Brynn for being a loyal friend who was kind to anyone she met.*

“ When Brynn first moved here I was asked to be her “first friend” at school so I did and I showed her around the school and introduced her to some friends and people in our classes. We got to become really close throughout the years it was always a great time with her around I will always cherish our memories together. She was very kind, loving, adventurous, and all around a great person. Brynn will definitely be missed by so many!! Fly high my angel 🕊️❤️☐

“ *My deepest sympathy to Brynn's family. I had Brynn in my 6th hour, 7th grade math class at Holmes Jr. High. Brynn was a real sweet student to have in class - very polite and always had her homework done. Brynn is going to be greatly missed by her family and friends.*

“ My daughter, Alexisandria and Brynn became friends in elementary school and she became a central person in our family over the years. She traveled with our family and she brought so much joy to our world. My heart is broken that her light was extinguished from the world!

“ Sweet, lovable, gentle Brynn. I was lucky enough to get to know you through your visits to California to see Aunt Yvonne, Uncle Doug & cousin Lucas. Your smile lit up the room. You enjoyed California & all it had to offer-especially Disneyland. You looked so cute with your mouse ears. We'll miss you & think of you often. Love from Aunt Gail

“ Brynn and my daughter Lily met in second grade. They quickly became inseparable and more like sisters than friend's. Brynn was energetic, fun, loving, creative, sassy and so much more! She was beautiful inside and out. We will always cherish the memories we have. I know that your spirit dances in the stars now. We love you always and forever 💕

“*Brynn lived with me as a baby/toddler. She was a vivacious young one that always captivated our life. She could bring a smile to any person in the room. She was my Queen B. Now she will pollinate heaven with all of her joy. Uncle Doug, family and friends are surrounding her. I know Todd is up there harassing her for her sassy ways. I love you Brynn and wish your family peace. Xoxo - Stephanie.*
