“ I just heard this week about Bud having passed. Kay, you were the best wife in the world to Bud. I loved listening to your memories with him and how much we laughed about the things the two of you did. I had the pleasure of meeting him and watching Kay and him interact. Wonderful, beautiful memory of him and your love. Susan

“ I worked one summer with Bud when Black Hawk county was improving paved roads in the Hawkeye Tech area. He was a kind co-worker willing to teach what he knew and shared much of his philosophy of living not through words, but through example. My condolences to his family as you remember Bud. Bonny Hall
