“ I would like to express my sympathy to Bushra's family. I have been her Hopice Volunteer for the past few months. We spent our time singing and reading. I brought my grandmother's hymnal and sang all of the old hymns on each of our visits. I read Bible stories to her, and never was quite sure if she was hearing me at times, but there would be times when tears would run down her cheeks, and I knew then that she was understanding what was going on around her. I can only imagine how free she must feel now. Sincerely, Jan Urbanek

“ I would like to let Bushra's family know what a positive difference she made in an awful situation back in 1990 when I was a student at UNI. Without going into details, let me assure you she had us smiling each time she left our room. She's one of those people who was in my life for a short time, but who has entered my thoughts with a smile hundreds of times since. May memories bring your family peace.
Sincerely, Michelle
