“ My dear Aunt Calleta was my mother Winona's friend in college, and married my mother's brother, my Uncle Paul. They traveled to California to visit, and wrote often. Both helped my mom with her investment and farming business. And my sister Teri and I were very grateful. She had a wonderful 90th birthday party hosted by her son Norman, where we all got to express our love and gratitude at a family reunion. She was talented and caring, appreciated by all who knew her. “ We are so sorry for your loss. Mary and I lived next to Paul and Calleta on Alameda for about eight years. They were great neighbors and both were very kind to our young daughter Stephanie as she was growing up.
Our thoughts and prayers are with you. God Bless

“ Sincere sympathy, Norm and families, in the passing of your mother. With all the restrictions we've had this past year, it has to be especially hard during the Christmas season, I would think. But always remember that "the rose still grows beyond the wall".

*Celebrate her life.
Hugs and prayers for you through the transition.*

“ Mrs. Koefoed was my Kindergarten teacher at Black Hawk in '69. She was a wonderful person, a great teacher and one of my favorites. She touched my life and I will never forget her.
