“ *Camille was a special patient of mine, and she definitely touched my heart. She had such a sweet smile and caring nature. I really enjoyed my conversations and laughs I had with her. I'm sorry I didn't hear that she had passed away until today. My thoughts and prayers are with her and her family. Angela DeVries*

“ *When I think of Camille, I remember how we sat across from each other in study hall while in junior high. She was always smiling and so kind to me. We liked talking together and she had kinds words for all. She was so petite that she reminded me of an angel. She is singing with them now. She will be greatly missed by all.*
