“ *Carla was a very beautiful soul with a lot of personality and character. She loved her porcelain dolls and angels. She was an honest, down to earth and humorous lady. I hadn't seen her for some time before she passed but wish I would have seen her one last time as I've been carrying a musical porcelain doll in my vehicle to give her the next time I saw her and I know she would have loved it.*

*May the Lord lay restful peace upon your soul Carla.*

*Love, Angi*
