“ Sue & Peg, Sorry I couldn't be there, but there are many snow-covered miles between us. I'm not going to try to tell you how wonderful Aunt Carol was, because I'm sure you know how important she and all the aunts were to me growing up. Some people here have mentioned her singing...thinking about her the last few days has been a real "Sentimental Journey". Love, David

“ My dear cousins. Oh how I wish I could be with you at this sad time. The memories of Aunt Carol are so many and so good. At Christmas I took out the doily she gave me the last time I visited her on the farm. She had made quite a few your dad said and wanted Sonya and me to have one. When it was put away after the holidays, it was packed with love and a prayer. Now she is at rest and in a better place. Our visit with her a few years ago was so special for both me and Sonya. We are from wonderful stock; full of life, love, caring and most of all fun and happiness. Memories are many and so special. It is hard to say good-bye to those we love so much. Love,
Shirley & Jerry

“ *Dear Members of the Posekany Family,
I am sorry the weather prevented me from worshipping with you today. Know of my prayers and sympathy, as well as those of our parish family, as you mourn the loss of your mother. I recall her gracious hospitality as we met with her and your father regarding our church site. May she enjoy the fullness of God's love and peace in heaven. May the light of Christ's resurrection guide your days of grieving.*

*In Christ,

“ *Dear Sue and family,
My mother was a resident at the Lutheran Home from the end of May through October when she passed away. Because of my presence at the Home, I came to know and admire your mother. Was there ANY song she didn't know? I used to pop my head in and tell her that when I came back I wanted her to sing "Somewhere Over the Rainbow" (or some other song). By the time I left the room she would already be singing! She was so appreciative of the musicians who entertained the residents. I heard her tell one young pianist, "You're doing such a beautiful job. I could listen to you all day." I know that the residents and staff will truly miss her. As she told me many times, "It's a crazy world!" Well, now she is in a better 'world'.
Peace to you all.*

“ I will surely miss stopping at the 1st door on the left when I come up the stairs to say hello to Carol. She always put a smile on my face. When I hear someone sing I will be thinking of her with a smile! And as I descend the stairs I will miss stopping and saying good-bye or good night. My thoughts and prayers are with you all. I have been blessed to have known Carol even tho it was just from the Lutheran Home.

“ I enjoyed taking care of Carol while she was at the Home. She always had a smile and so pleasant, she made my night. She was humorous and liked to sing and knew alot of songs word for word. I will greatly miss her. May you find comfort and peace at this difficult time, knowing she is with her heavenly Father.
