“ Carole was a great lady. She was by Larry’s side at basketball and football games and was an amazing supportive wife and mother. She was Larry’s everything, and I know he will miss her terribly. I remember visiting with her and Larry at their house, and how she was an amazing host to my family and I. A good lady that has had an impact on many. Prayers for Larry and his family.

“ I didn't know Carole, but I worked for Larry at Stone, and I've never worked with a more kind-hearted and genuinely nice man. I'm sure Carole had similar traits. My condolences to her family and friends

“ *I will remember Carole for many things. She was kind and caring. She loved our bulldog Rosie so much. Rosie had a way of barreling into you if she liked you and wanted your affection. This would almost knock a person over but Carole never let that get in the way of showing love and affection to Rosie. I believe how you treat animals is a direct reflection of one's character. Carole loved Rosie and Rosie loved Carole. I will always remember that.*

A beautiful, kind and loving lady. Carole was devoted to her family— Larry, Cody, Brandee, her grandchildren and her sister. Always volunteering at BEP, enjoying fellowships, our small group and a loving friend. Her sweet smile I will always remember. Our condolences to Larry and family.

One fond memory I have of Carole was sitting next to her at the Martin's large dining table for the group game of Spoons. It was fast and competitive and Carole was always kind, cheerful and fun loving!..... I am praying that God gives comfort and strength in the days ahead to Larry and family.

Carole impacted me greatly while I interned with youth. I treasure times seated around her dining room table reading hymns and praying through them. She radiated Christ's love while exuding a peace that comes from seeking and abiding in Hlm. Her laughter and sparkly eyes made it a joy to be in her presence. I remember serving on a mission trip with her and her commitment to Christ and to righteousness and blessing others was admirable. I appreciated that she wasn't afraid of the dirty work...and of sleeping in a YMCA with a mass of youth - that in and of itself shows a servant's heart!
