“ I work at US Cellular and have been helping Woody with his phone for years, especially after his phone flew off his motorcycle and got lost! I got to know him pretty well, we would talk every month when he came to pay his bill. I happened to think I hadn't seen him in a while, very sad to find out that he passed. He was a great guy and I always enjoyed talking with him when he came in the store.

My dad and Woody were best friends. When my dad passed away a few years ago he continued to stay in touch with me. He had a beautiful soul and was always so good to everybody. He loved his AA and friendships. RIP my friend...
