“ I'm Steven Herbert Anderson. I grad from Hawkeye with Dave. Then, was there in ccad not long after. Though I missed Charles' funeral by a month, I still remember how when I stayed overnight in the old home in cf, how kind he was and Shirley too. And how Charles worked on his car in the garage with Dave. And how happy he always was. I'm thankful I remembered those times. And grateful to find something I was looking for here, about five years ago in cf. But Charles is fine. He's in a heaven we all dream about. I still live at home in DeWitt. Came back after my dad became paralyzed. Never left for anywhere else to live thereafter.
