“ *The last time I spoke with Chelsea was at our garage sale in Jesup in October. She gave me a genuine hug, and I asked her if she was "in a commitment" with John. She said "yes", and asked me to not worry. Who would have thought that that was the last time I would speak with her. She always seemed happy, and I know that she always loved John. I know that you are at peace, Chelsea. I love you, Chelsea, and I love and will support John forever. God's blessings on Chelsea's family, as well as John's family. We will get through this with God's help.*
