“ Hi,
I don't know the family or Cody however I was compelled to send my condolences. I lost a teenage son 5 years ago and understand the loss you are feeling. May God help you to make it through the days to come.

“ I just read today that Cody passed last May. I am sad to hear this. Cody was a bright, responsible, and kind young man. He was a pleasure to work with and always made the work day more entertaining. I am certain he will be missed by many. My condolences to the mother. You did a great job, you should be proud of the great young man that he was.

“ I remember when I went to one of your parties.. You were such an outgoing person & you & Dana were so perfect. I remember you told me I hit like a man & to punch you, so I did, in your arm, you were so drunk. :p I was so obsessed with you little baby husky.. I loved watching him when we'd go dinking with Brandon & Ashlyn.. I will never forget you Cody. Ever. RIP guy.

“ I will never forget the year we spent together. We didn't always get along, but we were two peas in a pod, and I truly believe we were made for each other. You are everything to me Cody Kruse. I miss you so much, more than anyone can imagine. Losing you was the hardest thing I've ever had to go through, and ever will go through. You were the love of my life, my best friend, my strength, my EVERYTHING. I will never forget anything about us, good or bad. You have made such a great impact on my life, and I cannot thank you enough. All the things you've done for me, and for our relationship. I remember when we got Cujo, and when you'd come home from work, I'd be sitting in the backyard with Cujo, and you'd come home and say, "DADDY'S HOME, BIG BOY." &Then come up to me and kiss me. I wish we could've actually made you a daddy... I miss you so much, and love you so much more. ? Always and forever - Your baby girl.
