“ When Coleen & I were in early grades at Lincoln School in Cedar Falls, we lived only a block or so apart. We often walked back & forth to school together. Then in about 1959, her family and ours moved to homes across the street from each other on Clark Drive and landed at MPLS. I loved being with Coleen because she was a reader, and because her parents and sister Karen were so open and welcoming. Her music/vocal skills were amazing. I will never forget hearing her singing “Adele’s Laughing Song,” in high school, mind you. I wish her children and grandchildren comfort, peace, and good memories.
