“ We have been and continue to pray fervently for all of you. The grief and pain are a measure of how much Connie meant to each of you. Her light is now out here on earth but she touched so many during her shortened stay. As God continues to hold you in the palm of His hand, we pray somehow, some way, His Holy Spirit can comfort you.

“ Charlie and I would like to send our sympathies to all of Connie's family. We remember her first as a softball pitcher for Wapsie, then as Robbie's wife. She came back into our lives when she asked us to be Facebook friends and we have followed her and Burton's journey. Blessings to all as she continues on to her heavenly journey. Special blessings to Ryan whom we have never met, but have watched grow on Facebook.

“ Oh Connie. What wonderful memories I have of the times we spent together. From the point you started working at Nazareth, nearly 20 years ago, we became fast friends – despite our 8-year age difference. I have great memories of those times together, taking walks around and outside of Nazareth on our breaks, going to the tanning booth or lunch, shopping, the list could go on and on. When you and the others left Nazareth, my heart was no longer in my job and I followed suit. But we remained committed to our friendship. We were usually emailing each other multiple times per day and had lunch together each week. We spent the first two or three years together on the anniversary of Rob's death, getting manicures, shopping, lunch – trying to make some good memories despite the sadness that day represented. We had such fun the year you and Deb came to Arizona to visit! Remember how I dropped you two off at the airport and came home to get a call from you that your flight was canceled. We had one more night together! Even though our lives took different paths when I started spending more time in Arizona and you and Burton were doing mission trips, I always thought we would have many more years to share. While everyone will miss you, anyone who knew you well knows that you are resting in the loving arms of our Lord and Savior, Jesus Christ. 💕💕

“ Burton, I have not had the chance to meet you or Connie so let me introduce myself. I am the pastor at Bethel who was the absentee the day you came down for the commissioning service for the Kristianto family. So I think you saw my mug on the screen that Sunday. I do wish I could have been there with you all...now even more so!

I am writing to express thoughts and prayers on behalf of myself and our church at the seemingly untimely death of such a vibrant person such as Connie...a person of faith who was seeking along with you what the Lord would have in store. We were all so delighted to know that Agung, Yvonne and family would have you both going with them to give them love, support and encouragement as they entered into their new venture. And then this. It is hard to understand- which I imagine your experience tells you is a very deep understatement.

I/we (and yes at every gathering this week I have heard prayers for you, your family and the Kristiantos!) are praying that as you all gather to grieve Connie's passing that somehow the Spirit will give you comfort and will remind you of God's promises that are "yes" in our Lord!

If you would like to share anything with me/us regarding the Kristianto's situation and/or to just talk, please feel free to call me at the church.

Blessings in our Lord,

Curt Kuhns, Bethel Mennonite Pastor

“ Ryan, Burton, Colby, Joyce, Joleen and Vicki,

My heart hurts that Connie is gone. I fondly remember the summer time trips of all us together. I enjoyed the time we spent, and so glad to see her in Chicago about 2 years ago. My thoughts and prayers are with you all at this time. May you find peace and comfort.

Rest in Peace my friend Connie.

“ *I hugged Connie in a hallway at the Christmas at Luther concert in early December; wishing each other a quick Merry Christmas. She was full of joy and beaming with life as she always was when I saw her. Our time as friends was just getting started but our shared fierce love for our precious sons and our joy in their shared gift of music was complete.*

Ryan and Alex, my heart is broken for you and with you. You are in my thoughts and prayers constantly.
