“ I would like to again extend my sincere sympathy to your family. I was glad to meet the family last night that Curt talked about when he came into our building to work on our copier. He was always interested in our lives and families. I will always remember him stopping at my office door and asking about my family, trips ect and then coming in and sitting by my desk so we could catch up on what had been going on in our lives. He was always prompt on his service calls when we had problems even when it meant rearranging his schedule for the day. He will be missed. Candi Smith, Reinbeck Elementary Secretary

“ Curt will be missed by his co-workers here at AEA 267. He always talked about his family and how much he loved you all. He was so excited about life and the newest adventure he had begun to get healthy.

*Your family will remain in my thoughts and prayers. With deepest sympathy,

“ I went to Central with Curt and worked with him @ Perkins. He liked to act tough at work but he was a softie. With Deepest sympathy to the Hill family. Dianah Campbell-Brandt

“ I graduated with Curt from Central...I never heard a bad word said about him. Then as a nurse in ICU, I took care of him (years ago)and as I was trying to help him, he was telling me what a good friend I was to him and how he appreciated the way I treated him.

I am so sorry for your loss. This is too young to die. My prayers are with you. Please know, the class of '82 thought he was a great guy and good friend.

Respectfully,
Carolyn (Weikert) Johnson

“ *Dear Hill Kids,
You may not remember me, but I grew up across the street from you on Maxine. We would all play together and many times along with my older sister would babysit you four. I want you to know I was very sorry to read about Curtis. My deepest sympathy to all of you.*
